

Gratitude for Participation in UNIFY and for visiting our partner YMCA Zurich

“We express my heartfelt gratitude for the opportunity to participate in the UNIFY event organized by YMCA. This enriching experience has left a profound impact on us , and we are immensely thankful for being a part of such a wonderful gathering.” Says Alvard.

In 2024 in 22-25 February Executive director Alvard Mkrtchian and YMCA Spitak board member Lusine Poghosyan visited Prague for one of their favorite event UNIFY. “UNIFY provided a unique possibility for spiritual growth, fellowship, and community engagement. The event was well-organized, and the dedication of the YMCA team was evident in every aspect. The inspiring sessions, meaningful discussions, and the sense of unity among participants were truly uplifting. Being

surrounded by individuals who share a common faith and values was incredibly motivating. The event not only deepened our spiritual journey but also fostered new friendships and connections that I will cherish for a long time.” Says Alvard.

After the Unify Alvard and Lusine also visited Zurich to be hosted in YMCA Zurich. They had the opportunity to discuss many issues with our partners in Zurich and develop many plans for further cooperation. They had an Armenian evening where they cooked very delicious Armenian traditional food, hosted many Armenian and Swiss friends and had a great time together. Adrian and Julia made sure that they feel home and organized some sightseeing for them on their free time too. “

On behalf of the Spitak YMCA board and myself, I extend heartfelt gratitude to the entire team at Zurich YMCA for their warm welcome and open-hearted embrace during our visit. Your hospitality, coupled with the productive meeting, left a lasting impression on us. We deeply appreciate the dedication and support extended to us by the Zurich YMCA team and all those who generously contributed their time, making each day of our visit engaging and purposeful”. Says Alvard.
